

# PUMA DANCE -A- THON

Fundraiser

March 24<sup>th</sup>, 2021

THIS PAST YEAR HAS BEEN CRAZY, SO LET'S  
DANCE IT OUT!

Students will have fun dancing in their classrooms while watching dance instructors on the closed-circuit TV.

Each instructor will keep students movin' & groovin' for 10 minutes.

Can your child dance for 10 minutes without stopping? We'll see, because for every 10 minutes of nonstop dancing students will receive a bracelet.

Will your child(ren) come home with 1, 2, or all 3 bracelets?
